Proposed New Version: ByLaws Article #: V Section #: 4

Currently CBL language

At the annual meeting, the members present will be asked to select the judge of their choice 3 years in advance. Following the close of nominations, the names present will be voted on by those members in good standing in attendance at the annual meeting. The judge receiving the highest number of votes will be selected to judge the Tans at the convention three years following his/her selection at the annual meeting. This name will be sent by the Secretary/Treasurer to the ARBA before the end of the year.

Proposed Change to CBL language

At the annual meeting, the members present will be asked to review the approved judge's list and will be asked to make recommendations for addition or deletion to the list. Following the close of recommendations these will be voted on by the members in attendance and those recommendations receiving majority votes will be added to or deleted from the approved list. The judge hiring committee will then continue to use this list to secure judges for convention as many years in advance as possible.

Rationale/reason for the proposed change

This is what we've been doing for the past 10+ years. Judges must be secured as early as possible to assure that we are able to get prestigious judges of our choice. This gives the committee the flexibility to hire judges as needed that have met the approval of the membership.

CBL Committee Analysis/Rationale

Makes the CBL current with current club procedures. Note that 2025-07 also relates to this revised procedure. It is recommended that 2025-03 & 2025-07 both need to pass or fail together as they are related.
