Constitution

By-Laws

Current Version: Article #: National All Tan Show Rules Rule 5

Proposed New Version: Club Policies Policy #: XII Rule #: 5

Currently CBL language

“The National All-Tan Show shall be awarded at the annual meeting of the ATRSC held at the ARBA Convention each year.... All bids must be presented by formal letter and be in the hands of the Secretary prior to the meeting....”

Proposed Change to CBL language

“The National All-Tan Show shall be awarded at the annual meeting of the ATRSC held at the ARBA Convention each year.... All bids must be presented by formal letter and be in the hands of the Secretary prior to the meeting.

[Add this additional sentence]

At the annual meeting, bids will be circulated and discussed by the membership prior to a call for a vote of the membership in attendance. The bid receiving the most votes will be awarded the National All-Tan Show....”

Rationale/reason for the proposed change

There is no mention of the process by which the National All-Tan Show is awarded. This is the procedure that has been followed by the organization for many years, so this change just puts the process in writing.
